ABOUT US

One trusted team for your floors, stairs and new-home checks.

Dublin PropTech is an Irish property services company helping homeowners, buyers and landlords get their property right — from the first snag list on a new build to the last stair tread.

We combine decades of trade experience with modern tools: digital surveys, accurate measurements and clear written quotes, so you always know what you are getting and what it costs.

30+	40+	40+	40+
Years of trade experience	Homes transformed	Properties inspected	Five-star Google reviews

Why choose us

01 Home survey & accurate measurement

02 Clear, itemised written quotes

OUR SERVICES

Everything your property needs.

SNAGGING INSPECTIONS

Buying a new home? Get it checked first.

A detailed, room-by-room inspection of your new build before you close, with a photo report your builder can act on.

- Walls, ceilings, doors & windows
- Floors, stairs & joinery
- Kitchens, bathrooms & fittings
- Photo-documented snag list
- Re-inspection after repairs

01

Laminate flooring

AC5-rated laminate only — whites, greys, browns and herringbone, built for busy family homes.

02

LVT & SPC flooring

Waterproof, warm underfoot and realistic — ideal for kitchens, bathrooms and open-plan living.

03

Carpets & carpet tiles

Soft bedroom carpets and hard-wearing carpet tiles for offices and rentals.

04

Stair renovation

A brand-new staircase in one day, fitted over your existing stairs. No demolition. See page 4.

05

Wall panels

Decorative wall panelling that adds texture and warmth to feature walls and hallways.

06

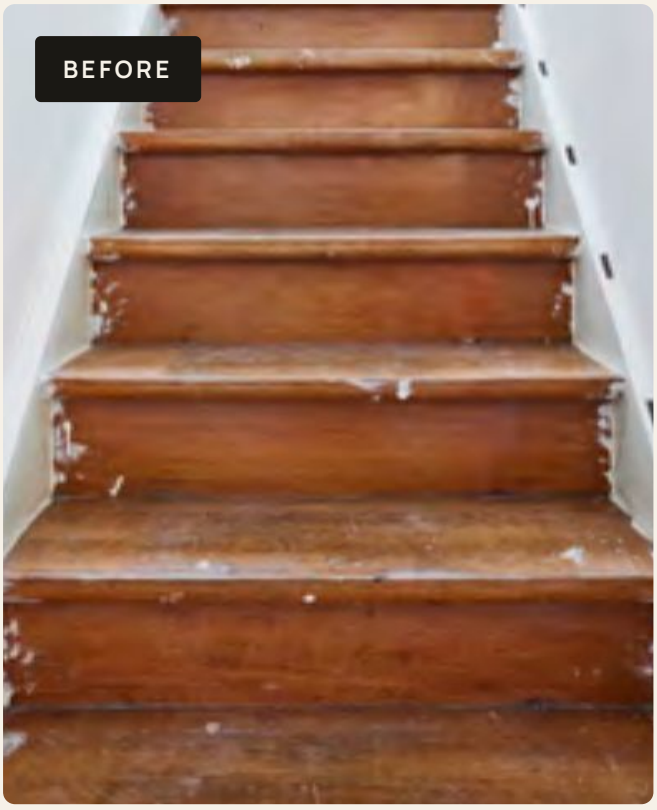

Window blinds

Made-to-measure blinds to finish every room — measured and fitted by our team.

FEATURED · STAIR RENOVATION

A new staircase in *just one day.*

Our tread-over-tread system fits new treads and risers directly over your existing staircase. Your old stairs become the base — no ripping out, no dust storm, no week without stairs.

No demolition

Fitted over your existing stairs in a single day.

Fits any staircase

Straight, turning, open or closed, with landings — over wood, stone, concrete or tiles.

Built to last

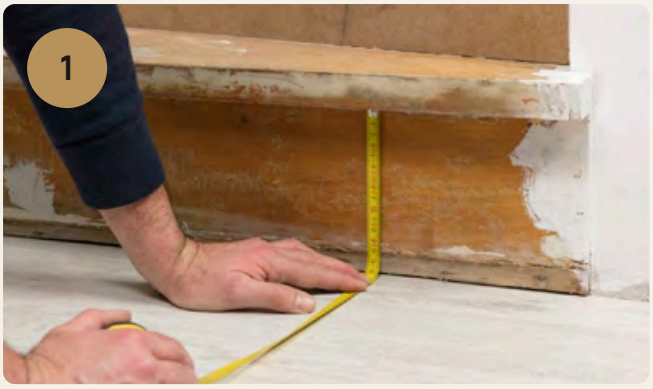

AC4 abrasion rating for intensive home use. Easy to clean.

14 designs · matching landings, side covers & profiles

SEE PAGES 6–7

HOW IT WORKS

From worn to wow in four steps.

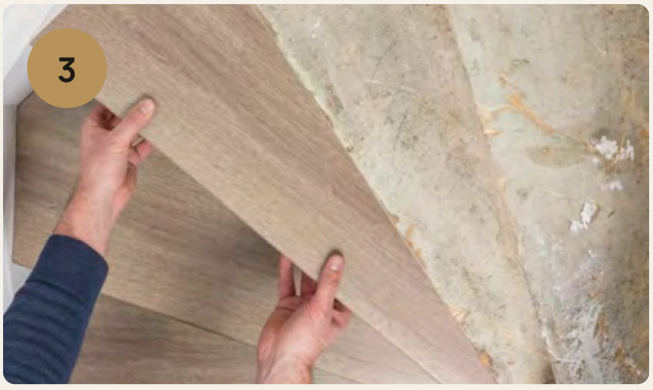

Survey & measure

We visit, measure every step and landing, and give you a clear written quote.

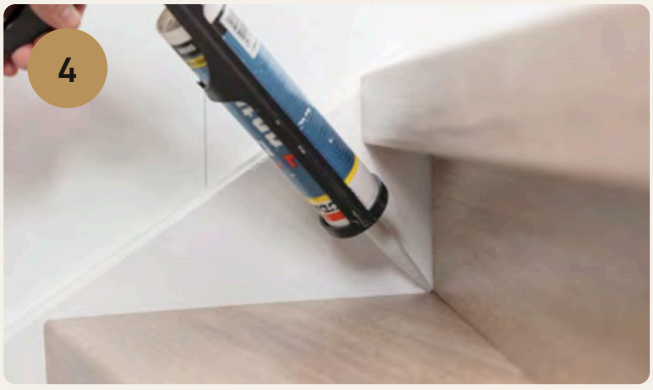

Cut to size

Pick your design. Treads and risers are cut precisely to your staircase.

Fit over the old stairs

Every part is bonded directly onto your existing staircase — no demolition.

Seal & finish

Seams are finished with colour-matched sealant for a clean, seamless look.

Done in one day. Walk on it that evening.

- ✓ Materials & fitting quoted upfront
- ✓ Site left clean & tidy
- ✓ Matching floor for your landing

STAIR DESIGNS · WOOD LOOK

Ten oak finishes, light to dark.

Florida Oak
REF 00110
